A letter from the Chair of Trustees

In 2025, the charity will have celebrated 30 years of serving Christ in His vision for the children of Bethany and the surrounding areas of the Holy Land.

From a dream to a vision given and then to one of our trustees, the project has fulfilled the Lord's plan for a purpose building, architecturally designed for His Children.

The charity walks in faith and the Lord has been faithful in his provision of funds from fundraising, legacies and, most of all, our faithful and loyal supporters' prayers and financial giving.

During these troubled times, children are experiencing mental and emotional wounds. The school is where they can have respite from their troubles and just be children, receiving the love and support from their teachers and peers through play and educational learning.

Words cannot express the UK trustees' gratitude for your loyal and dedicated support through prayer and financial giving.

The friends wish to express their profound gratitude to our Jerusalem trustee, Ibrahim Younan, and his dedicated team for their expertise and their enthusiastic drive which is allowing the project to develop and progress and, in doing, so change children's lives.

At present, the UK trustees and local board are continuing their projections for further

development in readiness to progress as and when the situation stabilises

Finally, on behalf of all the trustees, we would like to take this opportunity of wishing you all a blessed Christmas and a healthy New Year.

This Christmas I pray that God will visit your home with healing, blessing and miracles.

MAY YOU ALL BE FILLED WITH THE GRACE THAT ALLOWS US TO KNOW HIM AND WALK IN THE BLESSINGS OF A GLORIOUS LIFE.

*In Christ
